Spring-Like Weather.

Yesterday was like a day in spring, and if such weather continues for a few days, cases of "spring fever" would far outnumber those of grip.

The Beethoven Singing Society, through its committee, yesterday made arrangements for hiring the steamer Ruth for the annual excursion of the society, on May 9.

Not a Case of Hobbery.

It was learned yesterday that thieves did not enter the store of G. W. Johnson's Sons, on Main street, on Sunday, but the unlocked door was the result of an employee's forgetfulness. H. had been in the store on Sunday, and walked away without locking the doors.

Has Two Delegates.

The Intelligencer is requested to state that Mountain City Lodge No. 565, Amalgamated Association, of Martin's Ferry, has two delegates to the Trades and Labor Assembly of Wheeling, and their names are David Morgan and J. H. Cecil, both of Martin's Ferry. In yesterday's paper it was stated that there is only one.

The Bimetallic Club.

The Wheeling Bimetallic League meets in the Lange building to-night. The board of directors met recently and condemned severely the discourteous act of a member in objecting to the presence of an Intelligencer reporter at one of the meetings of the league. In marked contrast with this graceful action of the board, was the Register's mean attitude in commenting on the matter the morning after the incident. But then nothing better can be expected of the Register.

Going to St. Clairsville.

A large delegation of the Masonic fraternity of Wheeling, will go out to St. Clairsville to-morrow evening, to visit the lodge of that town. The St. Clairsville Masons issued a cordial invitation to the local brethren, some time ago, and the occasion is looked forward to with pleasurable anticipation.

The intention to leave Wheeling in hack loads has been abandoned. The brethren will move on the Ohio town by train loads, leaving the Cleveland, Lorain & Wheeling depot at Bridgeport, to-morrow evening at 7 o'clock.

THAT POTTERY DEAL.

The Trenton Man will be Unable to Buy the North Wheeling Pottery.

Some time ago the Intelligencer told exclusively of the probable deal by which experienced pottery men from Trenton, New Jersey, would come to Wheeling, and with the aid of local capitalists, buy the North Wheeling pottery, which has been idle for so extended a period. It has just been learned that the Trenton people have been unable to dispose of their interests in that city and for this reason will be unable to invest in the North Wheeling enterprise. It is believed that other manufacturers may be induced to come here and avail themselves of the splendid opportunity now offered, as the pottery business is said to have a much brighter outlook than it has had for some time.

WE'LL BE THERE.

Wheeling Will Have a Large Delegation at Charleston

FOR THE COMING INAUGURATION

Of Governor Atkinson and the Other State Officers—The Rate for Clubs Offered by the Ohio River Road is Very Liberal, and will Draw Large Crowds—Local Clubs Getting in Line—Naming Delegates to the State League Meeting.

Last night a meeting of the gubernatorial inauguration committee was held at the office of Mr. W. J. W. Cowden, on Chapline street, at which arrangements for the transportation of the Wheeling and Pan Handle delegations to Charleston were made. Representatives of several of the Ohio county Republican clubs were present, and the greatest enthusiasm prevailed. It is assured that Wheeling will be represented at Governor Atkinson's inauguration more numerously than at any other state inauguration.

Mr. Ashby Smith, of Parkersburg, traveling passenger agent, and Mr. John G. Tomlinson, local passenger agent, of the Ohio River railroad, were present. For the inauguration at Charleston, said Mr. Smith, the Ohio River has made an open rate to the public of one fare for the round trip, which would be \$6.90 from Wheeling. This is a very liberal rate; a better rate, in fact, than is usually given for such an occasion. The special rates are in force going on March 1, 2 and 3, and returning until March 6.

The Elkins Club will meet to-morrow evening at 1 O. O. F. hall for the purpose of furthering arrangements for the trip to Charleston, where the club will be assigned the post of honor as personal escort to the new governor. A full attendance of the members is desired.

The Ohio County Republican Club has been called upon to meet Thursday night, to which all Republicans outside of the marching organizations are invited. At that meeting a special uniform for the Charleston trip will be adopted, so that the club can secure the one-cent a mile fare.

The Young Men's Republican Escort Club is called to meet this evening at 7:30 o'clock at the city building, when the annual election of officers will occur, and delegates to the meeting of the West Virginia League of Republican Clubs, at Charleston, March 3, will be selected.

The Tariff Champions and the Six-Footers will meet at the city building on Wednesday evening at 7:30 o'clock for the purpose of selecting delegates to the state league meeting, and to close arrangements for attending the inauguration in style.

On Thursday the time of departure of the trains will be fixed, and arrangements for train service completed. Messrs. Tomlinson and Smith are anxious to have Wheeling given good facilities, so there should be no anxiety on that score.

All Republican clubs of Ohio county and the Pan Handle are requested to meet soon and name delegates to the league convention, and if possible, arrange to attend the inauguration in force. Each club is entitled to have a representation of five delegates at the league meeting.

It is hoped that there will be fifty delegates ready to start from Wheeling on the 2d proximo, as they will be able to secure the cent a mile rate.

The Drum Corps will be Out.

To-night the streets will re-echo with the sounds of the late campaign. The Elkins drum and bugle corps will parade over a short route preparatory to their practice at the W. C. T. U. hall, on Main street, and those who have heard the boys lately say they have improved in their playing. The drum corps expects to take twenty-five men to Charleston.

One evening this week the Elkins Club will have a dress parade on the streets, and in the two weeks before the gubernatorial inauguration at Charleston, several drills will be given on the streets.

Why Is It

If catarrh is blood disease, as some claim that physicians frequently advise change of air and climate to those suffering? Catarrh is a climatic affection, and nothing but a local remedy or a change of climate will cure it. Ely's Cream Balm is so efficient as to do away with the necessity of leaving home and making, causing instant relief and is a real cure of catarrh.

THE NEW WAY.

A GREAT SUCCESS FOR FITTING ALL KINDS OF EYES WITH GLASSES.

Our new scientific method of examining the eyes and fitting glasses without putting drugs in the eyes and making the patient blind for a week, or having them sit for hours looking at charts and trying to fit themselves until they become so bewildered they cannot tell what they can see. We fit the eye for examination without depending on the patient and know when they are fitted correctly.
